chairman's message

Dear student,

Welcome to Career Point.

Cracking any Top Level Competitive Examinations is all about your perseverance quotient, endurance, learning ability, managing time & stress and zeal to model the path of success drawn by the connoisseur.

To ensure your success in any competitive examination, we have designed our coaching programme in a scientific & systematic manner that develops both your knowledge and your problem solving acumen. To achieve this, we have a team of experienced and most renowned faculty members, most of them being IITians, NITian and Doctors. Our faculty members are dedicated and devoted individuals of highest caliber with a genuine concern for building your future. The academic environment at Career Point is highly conducive enabling you to succeed in your efforts.

Our research & development team has developed one of the finest study material and teaching methodology incorporating the latest trends of different competitive examinations. With times we have very well learnt the diverse needs of students preparing for competitive examinations.

In our efforts to deliver quality education, we emphasis more on the need to establish one to one contact with every student and be attentive to his/her need so that the teacher can monitor individual's progress and guide them accordingly on the way to success. In fact, the institute is administered with a "people first" philosophy that makes faculty members, staff, administrators and directors - accessible to students.

Upon induction with Career Point, you become a part of a powerful force that propels you towards success. If you too put your best efforts then I am sure that, together we can conquer any competitive examination.

Planning and promoting your success.

Sincerely,

Pramod Maheshwari
(B.Tech. IIT Delhi)
Chairman & Director (Academic)

In our efforts to deliver quality education, we emphasis more on the need to establish one to one contact with every student and be attentive to his/her need so that the teacher can monitor individual's progress and guide them accordingly on the way to success.

Kota and Career Point

Great institutions are inevitably forged by purpose and place. Founded in 1993, Career Point & Kota have grown up together, sharing a vision that created one of the greatest educational places in the history of engineering & medical preparation. How much founders of Career Point, glimpsed of this future was impossible to know when the foundation was laid. But today it's clear that their choice, Kota as workplace and their contribution in making Kota an educational city was a thoughtful decision. From its quiet beginning with just a dozen students and a handful of faculty, Career Point has grown multifold. Today Career Point has taken a shape of a vibrant, dynamic and one of the most successful training institution in the country.

...providing quality education since 1993

CAREER POINT

IIT-JEE | AIEEE | AIPMT

Essence of Career

Joint Director's Message

Dear Student,

First of all I would like to congratulate you on your resolution to become an engineer or a doctor from one of the premier institute in India. To succeed in any competitive examination, you need strong internal motivation. No one can force you to prepare & work hard. Your passion for excellence, ability to learn and expert's guidance can certainly determine your success in a top level competitive examination. At Career Point, the Systematic & Scientific Teaching Methodology helps you to gain knowledge, simultaneously it also inculcates positive attitude, self-belief and high level of confidence, which is essentially required to qualify in any competitive examinations.

Learning is everywhere at Career Point in the classroom, from the fellow students, and throughout the campus that serves as your broader classroom. We provide a student centric learning environment to simulate intellectual development; encourage analytical thinking that develops competitive ability. Our goal is to enhance student's achievements by improving their knowledge base & exam taking skills.

Career Point's Courses have been carefully calibrated to provide the breadth and depth of knowledge you'll need to succeed. At the same time you must inculcate positive thought within and always bear in mind that only your own resolution to achieve success is more important than any other thing.

All the best for your academic endeavour.

Yours sincerely,

Shailendra Maheshwari

Joint Director (Academic)

About Mr. Shailendra Maheshwari: Mr. Shailendra Maheshwari grew to fame as Math Guru through his coaching & guiding student success in competitive examinations during his decade at Career Point. He is a BE (Hons) in Electronics & Communication. His ability to learn, and translate that learning into action rapidly, is the ultimate competitive advantage resulting to students' success. As Joint Director (Academics), he formulates & monitors the implementation of the effective academic system to ascertain the maximum output from students. He is very well known among students for his positive attitude and for extending personal care to each student ensuring their success in IIT-JEE, AIEEE, Pre-Medical and NTSE, KVPY, Science Olympiad examinations with top ranks. He is one of the most admired teacher and loved by all students. Career Oriented Education System

Teaching Methodology

Classroom Sessions

Interactive classes by experienced faculty members to develop student's knowledge, analytical skills and questions solving abilities.

Problem Solving Counters

To give personal attention to each student even outside the classrooms our faculty members regularly remain available at Problem Solving Counters. If an individual student feels that some questions/statement/theory is not clear, then he/she may clarify these at "Problem Solving Counter" in the one-to-one interaction mode.

Our coaching programmes are based on a simple philosophy

"The more you memorise, the more you forget, What you understand once, you remember forever"

With a scientific and systematic approach, our experienced faculty members explain basic fundamentals and concept in a very simple and understanding manner. Then we develop questions solving skills of students through graduated sets of logical, mathematical and numerical illustration to firmly grasp the fundamentals and their application in various situations.

Daily progress is monitored through Daily Practice Problem sheets & In-chapter exercise sheets. Students are asked to solve questions from exercise sheets prepared by our R & D department. We provide various degrees of supports by conducting doubt removal classes inside and outside the class. This gives rigorous practice to students and strengthens student's knowledge base and enhances questions solving skills.

A periodic test series is conducted which give student's real time experience to face the examination. Detailed performance evaluation, analysis and feed back helps in monitoring and improving performance. To further support our classroom teaching, we also provide the complete study material to the students having systematic coverage of the entire syllabus through relevant notes, illustrations with self monitoring stage by stage system.

Intensive Care Program (ICP)

for Extra Meritorious Students:

Not just mere selection but top rank

Special Batches: XL Batch & Ranker's Batch

We not only aim at selection of our students in competitive examinations but also prepare them for securing top rank. Students with excellent performance in our internal tests are grouped in the XL/Ranker batch. With need based personal attention, we explore the potential of each such student and shape him/her to hit the top rank.

- ◆ All classes for these students are taken by highly experienced and senior faculty members.
- ◆ Special daily practice problem sheets having challenging problems are prepared for these students
- ◆ More time devoted on areas in which students need improvement and having less command.
- ◆ The classroom sessions are more practiced based than mere theory.
- ◆ Students have to solve more and more questions in stipulated time under the guidance of expert faculty members.
- ◆ Regular performance analysis and feedback are mandatory.

Study Material

Study Material prepared by our subject experts is provided covering relevant theory notes, illustrations with stage by stage system to analyse growth of the student. Study material is available in English and Hindi medium separately.

Daily Practice Problem Sheets

Under this plan, student is given 8-10 questions in every class to monitor day by day progress. As these questions clarify even the slightest of doubts, thus student become conceptually very sound.

Doubt Removal Classes

We conduct the doubt removal classes regularly after completion of each topic. Student's doubts from exercise sheets are clarified to the grass root level to ensure complete preparation in all respect.

Exercise Sheets

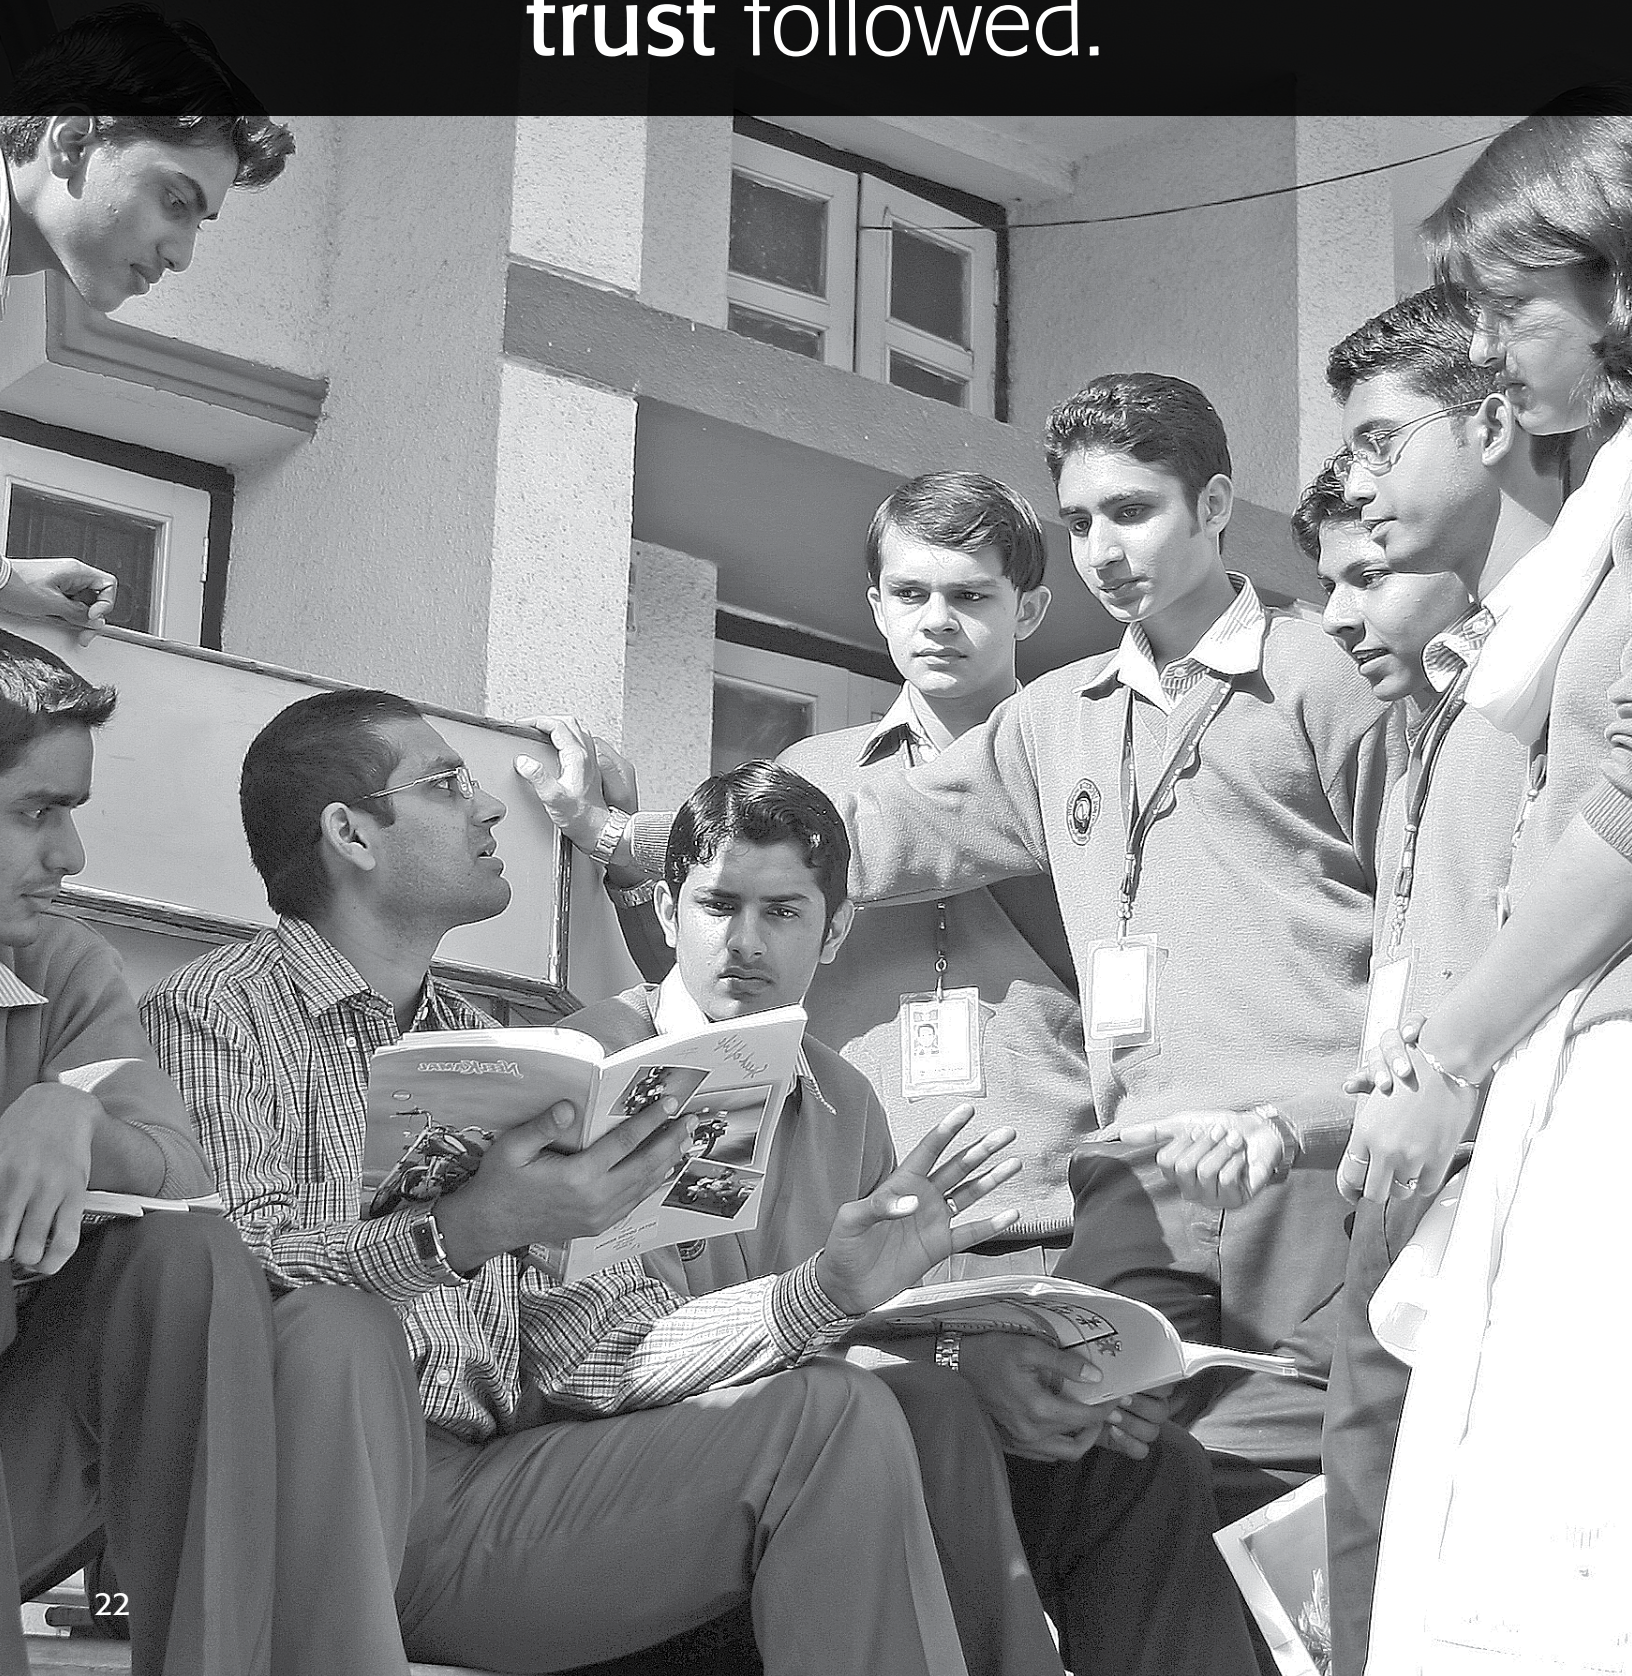

Exercise Sheets based on latest pattern of examination are provided for each topic. These exercise sheets gives rigorous practice and after solving and getting your doubts clarified you can assume that your preparation is complete in the particular topic.

Periodic Test Series & Feed back

Periodic test series increases speed, accuracy and develop skills to translate knowledge into performance.

We care for students,
trust followed.

Personal Care

At CP, every child is special.

Personal care to each student and openness to student/parents are distinctive features of Career Point – which differentiate us from other.

All students are treated equally and best faculty members take care of all the batches irrespective of student's past/current academic performance to explore his full potential. Driven by passion for education, dynamism for setting new standard for quality of education, we are always searching the way to do things smarter and quicker. Individual Counseling & Seminars are organized by our experts to guide student on issues like time management, stress management, maximizing output

and efficient learning etc. Students are also guided to manage non academic challenges.

Our Faculty and administrative staff work in teams dedicated to each student. Feedback Systems & Open Sessions give us opportunity to know what students & parents need here. And because time is measured in months not years, we care fast.

Doctor in campus
Immediate medical care is of utmost importance in preparing the student towards success. First Aid facility is available in case of emergency. Furthermore, a doctor remains available between 9 am to 11 am during the working days to provide healthcare services free of charge.

Ambulance for Emergency

Ambulance services are available for the students round the clock in case of any emergency. Career Point's student welfare cell takes care of these services for the students to provide immediate support.

Motivational & Academic Seminar

Regular motivational and academic seminars are part of Career Point's course curriculum. The academic team jointly with student welfare cell conducts these sessions. Academic seminars focused on various issues related to preparation cycle for competitive examinations, study skills, smart hardwork, logical thinking, test paper attempting strategy and confidence building. Students are motivated to achieve their goal through audio-visual clippings and various inspirational examples.

ATM in campus

ATM facility within the campus has been available for the students which help them to get fast transactions and also save their time

Counseling & Open Session

we conduct individual and group counseling and seminars to prepare students mentally to face competition. Periodic open sessions are organized in a friendly environment where students may share their problems & suggestions. Key Management personnel & HODs deal with all type of Academic & Administrative problems on the spot to give quick and fast support.

Student Welfare Cell & Help Desk

Our student welfare cell takes care of each student and extends full support to resolve any academic and non-academic problems.

Reading Room

Exclusive arena has been created for the students where they can read, write and solve their queries in silent zone in a group or alone. Library facility with recorded video lectures of prominent faculty members has been provided for special academic support to the students even after the class. The objective is to utilize the leisure time productively in an acute academic environment to inspire students for hard-work and study.

Academic Management

Study Material Development & improvement cell

This cell regularly updates the study material incorporating each and every minute point that is necessary for student to master. This cell ensures that our study material remains up to date and most relevant for various competitive examinations.

Experienced, dedicated & stable Faculty Team

We have highly experienced and dedicated faculty members possessing valuable subject knowledge and excellent skills to make learning enjoyable. Our faculty members follow the most rigorous and scientific teaching methodology developed by our educational research and development department.

Any system can not deliver result unless it is managed carefully.

At Career Point, we take pride in our academic expertise & systems. Our academic systems are diligently designed and implemented to make education delivery efficient and effective. Starting from day wise planning of syllabus to execution,

Our academic department ensures that all academic activities are evenly spread over the entire academic session so that it does not put any undue pressure on student. Close monitoring of all academic activities by our director and HODs ensure timely completion of the course and best delivery of education.

Educational R&D Department and Study Material development

cell are working behind the curtain and consistently working to refine and update teaching methodology and study material as per the latest trend of the examination. Total Quality control at all stages of implementation of academic systems ensures preparation of student is complete in all respect hence Career Point's students do not need any extra coaching from outside.

Timely Completion of Course

Academic department prepare and monitor day wise lecture plan which is evenly distributed over the entire session ensuring timely completion of the syllabus without any putting pressure on student.

Total Quality Control Management

At CP we maintain the rigorous quality control at every level of implementation of our teaching methodology, at all stages of student's preparation and development of study material. There is no compromise at any cost with quality of education. The quality control policies of Career Point are so strong and refined that they have been regarded benchmarks.

Faculty Development & Training Cell

This cell continuously works to upgrade the academic standard and skills of our faculty members.

General Administration

Excellent Infrastructure & facilities

In Kota, we run our educational activities at various building having more than 2.5 lacs square feet area. Our Academic buildings are modern institutional complexes having spacious classroom with architecture for proper acoustics, ventilation and lightening.

Any system can not deliver result unless it is managed carefully.

For a systematic approach and to provide a conducive environment for learning proper administration is utmost required for a reputed educational institution. Understanding the fact, Career Point has developed various systems which not only help in maintaining the discipline within the premises but also help students to get any non-academic support. Whether that is study material distribution, time-table dissemination, test information or any emergency services, the admin staff is always available for students to take care.

Uniform & Digital Attendance- System
 At Career Point we have uniform dress code for our students. The primary goal for adopting uniform dress is to focus students only on education. Laminated Digital Identity card with batch and registration number will be issued to each admitted student. Every student must swap his/her I-card while entering into the institute premises

Communication Support
www.careerpointgroup.com Parents/student can access latest performance and progress report of student through "Student Parent Zone" and other information about Career Point on our website.

CP Samachar Career Point's "CP Samachar" is the in house monthly magazine, which binds the Career Point family. It provides motivational and moral inputs, up-to-date information on competitive examinations, new ideas, thoughts and lots of fun. It also contains photographs of top ranking students in internal test series to boost their confidence and inspire rest of the students to perform better.

SMS We also use SMS service to inform parent/student about their performance in internal examinations and other relevant information.

Help Desk Career Point help desk help out parent/student to seek any assistance or information. The help desk provide support even over telephone also, during office timings.

Digital Notice Board Digital Notice Boards are installed at each floor to provide important information quickly and effectively.

Technology Support

Information Kiosk

To take the advantage of technological edge for extended academic support, Career Point has installed information kiosk for the students. These touch screen kiosks are meant for providing relevant information to the students like marks sheet, performance level, test summary, growth report, score chart, attendance and exercise solutions. This information is available online also for the parents via student-parent zone on Career Point's website.

Keeping the power of technology in mind and to add this power to our students

Technology helps not only to automate the delivery process but also contribute significantly to make delivery mechanism personalized to individual and relevant which is not possible in human interaction in one-to-many kind of traditional training system.

Keeping the power of technology in mind and to add this power to our students, we started eLearning division. Our eLearning solutions are based on PLE (Personalized Learning Environment) ideology. PLE is a concept that represents the latest step in eLearning with focus more on the individual

instead of a group performance to enhance the learning and scoring abilities of each individual. The primary goal of our eLearning solutions is to provide individual flexible personalized learning solutions which help them to learn efficiently and provide them extra edge in highly competitive scenario.

Knowledgeclub.co.in

Knowledge club is an initiative by Career Point's Pre-foundation division to provide a learning platform for the students of class 6th to 10th in an exciting and entertaining way. Under the aegis of Knowledge club student will explore, experience and gain ample knowledge through various academic and extra co-curricular activities like symposium, quiz, science exhibition, debates, contest, paper presentation, social skills, personality development etc.

Digital Library

The objective of KnowledgeLab is 'Learn what you want, when you need at your own pace'. It is a PC based technology solutions in which video lectures by our best faculty members are available on a click of mouse button – by subject, by topic and by session.

A student can take any lecture any time at KnowledgeLab to:

- ◆ make up for missed classes due to some unavoidable reason or
- ◆ revise the part/full syllabus by taking the lecture again or
- ◆ take lecture in advance to take lead in competitive environment.

At present KnowledgeLab facility is available only at selected study centers.

Subject Wise Performance in IIT Target-3,4&5_M#3_P1 17.10.10

Answer Key: This part of the report indicates Akhilesh's Answers vis-à-vis correct answers

Overall Zone: This section indicates whether a student is in Danger, Normal or Safe Zone as per his performance. Akhilesh is in safe zone

Overall Performance: This graph represents subject-wise student's marks in comparison with highest and average marks scored in the test.

Subject Name	Correct Question (%)	InCorrect Question (%)	UnAttempted Question (%)	Your Marks	Highest Marks
Physics	77.27	18.18	4.55	62.00	62.00
Chemistry	77.27	22.73	0.00	58.00	72.00
Mathematics	50.00	22.73	27.27	39.00	56.00

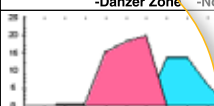

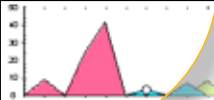

Skill-wise Analysis: This chart indicates skill-wise observation of Akhilesh as per the test paper.

Suggestions for improvement for Akhilesh

Mathematics Report of Akhilesh Chaudhary(148216)

Observation	Inference	Suggestion For Improvement
You have got only 40 % of Easy and Direct Questions Correct.	Had you captured only easy questions, you would have ensured 64.20 % marks.	Your real problem lies in your unsystematic self study, Revise lectures on day to day basis and plan mega revision (1hrs) of theory on weekends.
You have got 100% of Moderate Difficulty Problem Correctly.	You basic problem solving skills are good.	You need to speed up and solve more Easy and Direct Questions to score high.
Your successful attempt of Lengthy and Complex Conceptual Problems was 66 %.	You know the Concepts.	You need to pick up speed. First attempt easy and moderate level problems to score high.
You attempted 66.67% of Silly Mistake Prone questions and earned 72.22% marks.	You have good Concepts.	You need to pick up speed. First attempt easy and moderate level problems to score high.

This Pie-Chart shows skill-wise distribution of the paper as "Conceptual but complex", "Formula based numerical", "Graphical Questions" & "Routine theory based".

Knowledge	Danger Zone Analysis	Comment
	-Danger Zone -Normal Zone -Safe Zone	
Parabola		You are doing good, but keep improving to be in the safer zone
Ellipse		You are ok, but get in to safer zone, practice more Conceptual But Complex problems from Ellipse.

Topic-wise Analysis: This graph indicates Akhilesh's topic-wise analysis. In 'Parabola' he is in safe zone, in 'Ellipse' he is in Normal Zone

Parent Teacher Meeting

Parent teacher meeting is a regular process and part of student's preparation cycle during the session. Parents may visit institute, with their wards or alone to discuss their child's performance. Here we try to involve parents in child's preparation so that institute along with parents can create a positive environment for students to perform the best.

Regular Feedback, Problem Solving and Performance analysis

Being a responsible and value-driven institution it is our duty to provide regular feedback about student's performance to their parents. The objective is to involve parents in preparation cycle of their wards so that they could able to provide the suitable environment for improving their performance.

On-line Support

A special section with the name "Student Parent Zone" has been created on Career Point's website where student and parent can login to access various information as:

- a. **Student Details:** All details of the students' viz. Personal details, Course Enrolled Details and Fee Details are available in this section.
- b. **Student Attendance:** At Career Point, we have specific attendance policy. Digital i-cards shall be issued to all students for attendance entry. The attendance of students is also available online in this section. Parents can see daily in time and out time through the muster report.
- c. **Solutions to exercise sheets:** Solutions to exercise sheets are also available in this section for the benefit of the students and to provide them anywhere online support.
- d. **Student Performance Details:** Parents and students can see the test results online along with detailed performance report in this section.
- e. **Support to Parent Queries:** Parents can ask any query related to their wards or any academic activity through this section. Our academic counselors shall revert within 72 hours to the same.
- f. **Exam Information:** This section contains information about various forthcoming competitive examinations for the benefit of the students.

Student's Report through SMS

- a. **Performance Report:** Student's performance report after each test is send to the parents and students through SMS by our EDP Department.
- b. **Attendance Report:** With the availability of electronic attendance system now parents will also get the report of attendance of their wards through SMS.

Our Support to Motivate & Promote Talent

- ◆ Study Support Scholarship (CP-SSS)
- ◆ Motivational Awards (CP-MA)
- ◆ Achievement Awards (CP-AA)
- ◆ CP Scholar Award (CPS)

Promoting & supporting talent is core value of CP. For this, we provide scholarships to meritorious students in form of concession in course fee while they are studying at CP and cash award & scholarship for achieving success and pursuing higher studies once they qualify the examination.

Faculty

Individual Play the game, but team wins the championship

Our faculty team is formed out of committed bunch of professionals who are out to make positive difference in life of our students. Our faculty team comprises of highly qualified, knowledgeable and experienced professional, who have excelled in their field of expertise and are committed with common objective of creating technocrats of tomorrow. Our faculty members encourage students to raise their doubts, so that student can understand the subject at root level. The faculty members do not restrict their teaching to the class only but extend their full support to students out side the class as well. The guidance by our faculty members is complete in all respect hence Career Point's students do not require any extra coaching from outside.

Each person who is selected to teach at Career Point has to undergo rigorous selection process. Our hinting grounds are generally limited to IITs and NITs. Once selected, all of them are to pass through cultural orientation and our belief systems to ensure they will deliver best of their capability to ensure our students gain maximum advantage of the system. Once they are through the process, they are qualified to deliver training that is got to be world class.

They will carry the attitude and aptitude that will ensure participants remains motivated to give their best in classes conducted by each of the trainers. We strongly believe that our faculties and teachers are pillars on which our world of success is standing today tall. They being lamp post, would always feel that success is not domain of few privileged, in fact will strive the best to ensure all potential students are motivated and guided enough to move ahead in life. They are in fact the jewelers who actually know what the value of each of the pearl is and what is the level of effort that is required to ensure each student gives their best shot in Competitive Exams.

Pushing Boundaries

Our Team at Kota center

Our faculty members are competitive –
not so much with each other as with themselves.
They have outstanding academic credentials, valuable subject knowledge and
true dedication to teaching with inspiration to push beyond boundaries
when it comes to guiding students.

NTSE

NATIONAL TALENT SEARCH EXAMINATION (NTSE)

It is a national level scholarship program in India to identify and nurture talented students. The scheme is open to students of Indian nationality. Only students studying in Class VIII are eligible to appear for the selection process. As it is organized by an official body (NCERT).

KVPY

KISHORE VAIGYANIK PROTSAHAN YOJNA (KVPY)

It is an ongoing program started by the Department of Science and Technology, Government of India, to encourage students of Basic Sciences, Engineering and Medicine to take up research careers in these areas. The aim of the program is to identify and encourage talented students with aptitude for research.

RMO

REGIONAL MATHEMATICAL OLYMPIAD (RMO)

It is basically a talent search programme for the pre-university students. The main purpose of this programme is to encourage students to develop their mathematical ability. It is organised by Homi Bhabha Centre for Science Education (HBCSE), Mumbai.

IMO

INTERNATIONAL MATHEMATICAL OLYMPIAD (IMO)

It is the World Championship Mathematics Competition for High School students and is held annually in a different country. The first IMO was held in 1959 in Romania, with 7 countries participating. It has gradually expanded to over 100 countries from 5 continents.

IJSO

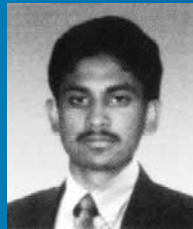

INTERNATIONAL JUNIOR SCIENCE OLYMPIAD (IJSO)

It is a competitive examination open to students of all countries in the world, primarily studying in secondary schools. All basic subjects of Science (Physics, Chemistry, Biology and Mathematics) are given roughly equal representation in the IJSO examination.

Topper's Verbatim

Achieving top rank is no mean feat and can not be achieved by alone person. My parents did put their efforts as much as me or even more. They were instrumental in moral support and building up the mind for the examinations. My elder brother being an IITian was also a huge factor in my success. But my teachers, friends and specially Career Point holds a lion share.

Topper's Verbatim

I am very much thankful to Career Point for extending invaluable guidance to me. Career Point provided me the scientific and systematic process for assessment in the new pattern of IIT-JEE. This assisted me in analysing my preparation level and also helped me to plan my preparation for new pattern to secure top rank. Thanking again to the scientific process of making IITians at Career Point.

A Leader in AIEEE in India

AIEEE - The Gateway to NITs

AIEEE is an initiative taken by the Government of India in the year of 2002 providing very good opportunity to engineering aspirants to get admission in top-notch engineering institutions. AIEEE covers 20 NITs, 4 IITs, 8 self financed deemed universities and many other government funded institutions viz. DCE, NSIT. Moreover open seats in various states/institutions are also being filled through this examination in terms of their own counselling and reservation/domicile requirements as in Haryana, Uttranchal and Army Institute of Technology, Pune etc. For complete information about AIEEE, please visit <http://www.aieee.nic.in>

Topper's Verbatim

I'd be wrong if I do not extend the credit of scoring around 90% marks in AIPMT(Mains) to my teachers, without whose guidance I fear even envisaging where I'd have been. I found your test papers the perfect way to find my weak points. The encouraging words of you all are enough to pump the last student in the last row to work hard enough to follow his dreams.

The support staff and environment at Career Point compliments the hard work of teachers and students. The study material is concise and thorough with NCERT and all enough for any PMT at the National Level. For any student aspiring to become a doctor, I am sure, CP is the right place to be.

I am thankful to my teachers and parents who have supported me to reach my goal. Regular tests and conducive competitive environment has helped me to direct my efforts at right time. It is very important that the study material should be relevant and to the point which covers the entire syllabus thoroughly and effectively for the respective competitive exam. Career Point's regular tests and study material helped me for my achievement. Test papers were having performance analysis chart for self analysis to know where you have to put efforts, which helped me a lot.

It feels great to achieve what everyone dreams of I am overjoyed with AIIMS selection & my AIR - 1 in AFMC. Thanks to CP faculty, study material and their guidance which helped me a great deal in achieving what I have achieved today. The best advantage of being at CP is that you get ultimate personal care since the teachers here are very friendly and cooperative. CP's study material is sufficient and I didn't feel the need of any reference books. Ultimately, it is this systematic study, faculty and your own hard work which pays.

Understanding of concepts, fundamentals and their applications is the core to crack any competitive examination. At Career Point I have found the conceptual and systematic approach along with the support of dedicated faculty members. Apart from this regular tests and feedback also helped me in building the confidence. The study material and notes provided by the faculty members were to the point and comprehensive. I extend my gratitude to all faculty and staff members for this success.

Initially I was very much anxious about my preparations for AIPMT. At Career Point, along with the pre-decided course contents, faculty members discussed thoroughly with me and discovered my weaknesses & strengths. They cared and extended necessary personalized attention & given me valuable academic inputs to improve my learning habits. I was well taught all essential concepts & their applications in each subject. In this way, faculty members not only covered my syllabus but also inculcated positive attitude, build my confidence and my exam taking skills to crack AIPMT with a very good rank.

I had a very good educational background but I was looking forward to develop my capabilities & skills to take Pre Medical competitive examinations. To qualify in examination like AIPMT with a good rank, you need to have very good knowledge of concepts, fundamentals & their application also. Based on my requirements, faculty members at Career Point thoroughly worked on my strengths & weaknesses. Under the guidance of Career Point's expert faculty members, I learnt very well all basic & fundamental concepts and their application in solving problems. Career Point's regular test series improved my scoring ability by developing my speed, accuracy & problem solving skills. It also built my confidence to qualify & secure high rank in AIPMT. I remain thankful to Career Point for my success in AIPMT.

"This is an absolute fact that without Career Point's direction, it would not be as easy for me to secure top rank in AIPMT-2006. It's Career Point, which made me to understand the challenges and basic needs to crack a pre-medical examination with a top rank. By joining Career Point, I could compete with the largest talent pool of the country on the single platform, which really sharpened my examination taking skill~ both for objective & subjective pattern of pre-medical examinations. Opportunities for knowledge and success

At Career Point, Student-faculty interaction is unmatched in any public institution that I know. We take great pride in the accomplishments of our students and faculty.

Dear Student,

Welcome to Career Point! You are about to enter a wonderful world of opportunities for gaining knowledge and success.

Providing quality education and ultimate support to students for competitive examinations is a tradition at Career Point since its foundation. And, today it is evident with the outstanding results of Career Point student's in various competitive examinations. Every year Career Point's students find places among top 100 ranks in various top level competitive examinations like IIT -JEE, AIPMT, AIEEE etc.

To produce such outstanding results, a perfect mix of various resources and human skills are needed. With time, Career Point has developed a efficient systematic & scientific system, popularly known as CP System, which ensures success of every student associated with Career Point at the different level of competitive examinations.

A very high standard of working has been set for each unit of Career Point viz. Academics, R&D Cell, Faculty Training Cell, Management Team etc. Everything is decided well in advance as what to do, how to do it and who should do it. CP System not only bridges the gap from where we are and where we want to be but also ensure smooth and effective execution of academic plans which is crucial for success of each individual.

At Career Point, Student-faculty interaction is unmatched in any public institution that I know. We take great pride in the accomplishments of our students and faculty.

Every student finds Career Point environment very supporting & conducive. Our goal at Career Point is to equip you with the knowledge & skills and self-confidence to begin your journey.

Wish you all success.

Yours sincerely

Om Maheshwari
Director

Dear Student,

Greetings from Career Point Family!

Career Point believes in shaping students for achieving grand success and standing with them in all circumstances. We are fully committed to provide all support and personalized care to each & every student during the entire academic session.

This is also mandatory for all students to remain honest to themselves, to their parents & to the institution; this would automatically put him/her on the path of success.

Added to this your active efforts under able guidance of faculty members are vital for your success and I ensure that together we shall definitely make it happen.

Wishing you a successful & bright future.
